I. Administration

Home page of Administration Login

The home page of the SIMS portal displays the Calendar of Events developed for the particular semester. This dashboard has different login options such as Settings, Reports, Operations, Accounts, Department, Employee, Students, Administrator is available in this screen.

This portal will be used

- To create access to the teaching faculty, non teaching staff, other staff and students in various areas of operation.
- To monitor and control the application of the different areas of operation created
- To deliver better engagement practices
- To organize different operations in single location
- To remain compliant with regulations
