Guidelines for improving the academic performance of Slow learning Students

As per the Suggestions given by the principal sir in Staff's meeting held on 17-5-2021, the HOD sir initiated the meeting with BOS members to discuss the strategy to improve the performance of the slow learning students.

The following points were discussed in the meeting.

1. The list of slow learning students is prepared by IA coordinator and circulated among all the respective subject teachers for the information and to take necessary steps for academic progress.
2. HOD, Class teachers & Mentors are continuously monitoring the slow learning students and motivating and creating a support system to perform better in semester-end examinations.
3. Those students who have scored less than 40 % of the total marks will be identified as slow learners in all the current running semesters. All the subject teachers conduct remedial classes to these students at regular intervals.
4. Individual subject teachers have to spend additional time with slow learners and made to Solve question paper banks and assignments are given regularly.
5. The progress of the students is intimated to parents through their respective mentors.

Guidelines for improving the academic performance of Rank Probable / Meritorious Students

As per the Suggestions given by the principal sir in Staff's meeting held on 17-5-2021, the HOD sir initiated the meeting with BOS members to discuss the strategy to improve the performance of the meritorious students.

The following procedure is followed for identify the meritorious students.

1. The list of meritorious students is prepared and circulated among all the teachers for the information and to take necessary steps for the academic progress.
2. HOD and Class teachers are continuously monitoring the meritorious students and motivate and create support system to perform better in semester end examinations.
3. Students those who are having SGPA more than 8.5 in all the current running semesters all the subject teachers monitor and motivate the students at regular intervals.
4. Institution also supported the meritorious students and rank holders every year by providing the scholarships and honor all the rank students.
5. Appreciate and encourage the meritorious students at department level every semester which will increases the confidence level of the students and also motivate other students to perform better.
6. Individual subject teachers has to spend additional time with meritorious students and motivate at all the times and extended all the additional support in academics to perform better in semester end examinations.
7. Module wise important questions will be prepared in line with the semester end examinations and circulate among the students to prepare the same and also motivated to solve previous semester end examinations question papers.
8. After the last working day of the semester call a meeting with all the meritorious students and guide them how to prepare for the examinations give and also discuss the important topics and also give important tips by all the individual subject teachers.
