Department of Mechanical Engineering

Issue: 15

MECHMERISE

Year :2022

Vision:

To become a center of excellence and a platform in diversified fields for the aspirants in Mechanical Engineering.

Mission:

- To impart comprehensive education in the field of Mechanical Engineering to produce highly accomplished graduates
- To endow technical & soft skill trainings to foster professionalism and ethical values among students
- To induce innovative thinking among students through projects and research work

Program Educational Objectives (PEO's):

- PEO-1: Progress their career as a professional in mechanical engineering and interdisciplinary fields.
- PEO-2: Become successful entrepreneur with social responsibilities and ethical values.
- PEO-3: Pursue higher education and involve in research of allied areas in mechanical engineering.

About the Department:

Department of Mechanical Engineering is headed by Dr. T Madhusudhan. The department is strengthened with qualified faculty members & staff, with state of art facilities. There are 30 faculty members including the HOD, out of which are 5 professors, 4 Associate Professors and 21 Assistant Professors. And there are total of 20 non-teaching staff.

Orientation Program:

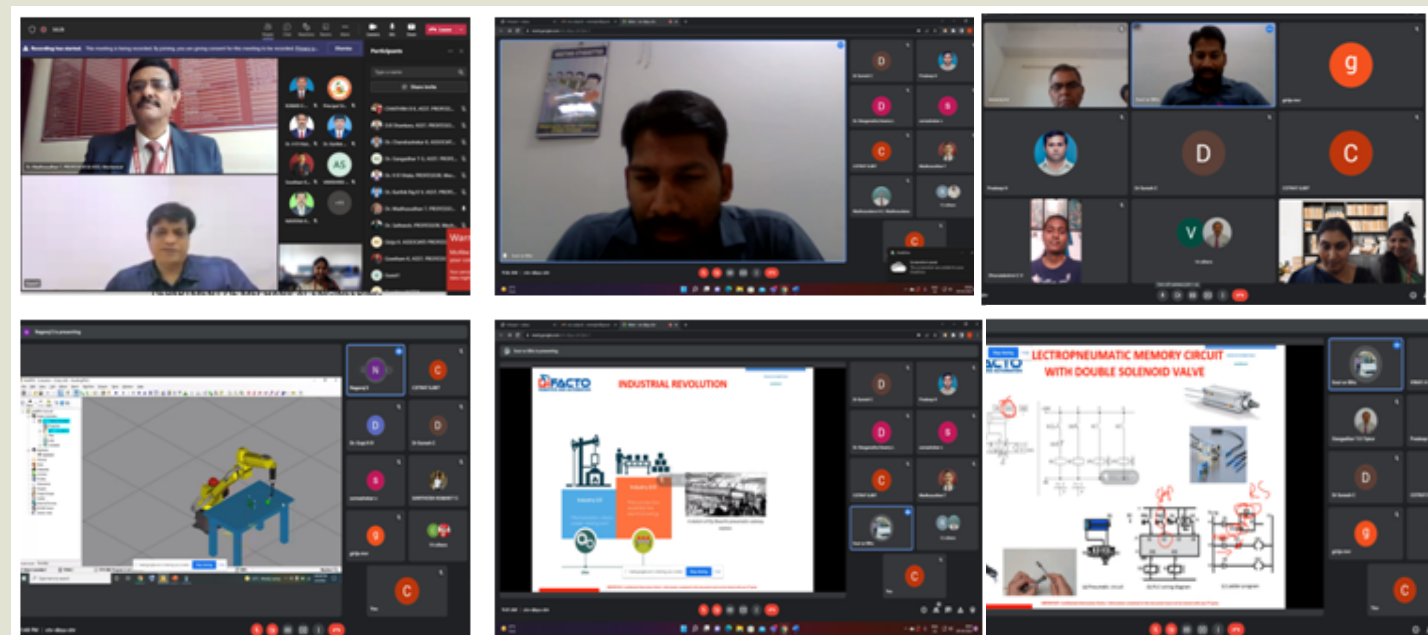

HOD Addressing to Staff & Students

As per the TEQIP norms, an orientation session was conducted for all the teaching & non-teaching staff members during the start of the even semester 2021-22. The HOD addressed the roles & responsibilities, code of conduct and different committees that are present for the welfare of the students. Everyone was strictly informed to abide by the rules & regulations of the department and the college.

Faculty Development Programme (FDP):

One week faculty development program was conducted for all the in-house and external faculty members on "Industrial Automation-Industry 4.0" from April 04th to 09th 2022. Speakers were from reputed industries and Academic institutions.

Glimpses of FDP on Industry 4.0

This FDP was successfully conducted by the Dr.Chandrashekar K Associate professor, Dr Karthik Raj K V, Asst.Professor and Team Members.

Guest lectures:

Guest lecture was conducted in the Department on “Career in Core Mechanical Industry”. The lecture was delivered by Dr. Prakash Rao and Mr. Ravishankar from CNC Tool Academy held on 3rd June 2022. This Talk was coordinated by Mr. Adarsh B C Assistant Professor and Mr. Shankara D R Assistant Professor.

Guest lecture by Dr.Prakash Rao and Ravishankar

Education Expo:

An education Expo was conducted for the Final year students on 27th May 2022 at Palace ground Bengaluru. Students were addressed on various Technology involved in Electric Vehicle and use of latest features and updates in EV's. Students were also visited to various manufacturing Companies and Stalls.

EV-Expo @ Palace Ground Along with HOD Faculties and Students

This session was successfully conducted under the guidance of Dr.Karthik Raj K V Assistant professor.

Extra activities:

Parent teacher meeting was conducted at the Aryabhata seminar hall of the department on 11th June 2022. HOD and Faculty Members were discussed with all the Parents who were present in the meeting. Proctors of respective students were briefed about the performance of their wards in the Internals and VTU examination. Subject and Class toppers were facilitated by the Department.
