### Department of Mechanical Engineering

Issue: 14

MECHMERISE

Year :2021-22(Odd Sem)

### Vision:

To become a center of excellence and a platform in diversified fields for the aspirants in Mechanical Engineering.

### Mission:

- To impart comprehensive education in the field of Mechanical Engineering to produce highly accomplished graduates
- To endow technical & soft skill trainings to foster professionalism and ethical values among students
- To induce innovative thinking among students through projects and research work

### Program Educational Objectives (PEO's):

- PEO-1: Progress their career as a professional in mechanical engineering and interdisciplinary fields.
- PEO-2: Become successful entrepreneur with social responsibilities and ethical values.
- PEO-3: Pursue higher education and involve in research of allied areas in mechanical engineering.

### About the Department:

Department of Mechanical Engineering is headed by Dr. T Madhusudhan. The department is strengthened with qualified faculty members & staff, with state of art facilities. There are 30 faculty members including the HOD, out of which are 5 professors, 4 Associate Professors and 21 Assistant Professors, And there are total of 20 non-teaching staff.

### Orientation Program:

HOD Addressing to Faculty Members

As per the TEQIP norms, an orientation session was conducted for all the teaching & non-teaching staff members during the start of the odd semester 2021-22. The HOD addressed the roles & responsibilities, code of conduct and different committees that are present for the welfare of the students. Everyone was strictly informed to abide by the rules & regulations of the department and the college.

### Induction Program:

As part of induction program for first year students campus tour has been organized by the committee. Mechanical department faculties gave the overview of center of excellence labs (Toyota Kirloskar, Rexroth Bosch and FMS system) in the department for the students. Under induction program students were addressed by Dr. T Madhusudhan, HOD, Department of Mechanical Engineering on Anti-Ragging and grievance redressal cell as a part of awareness program.

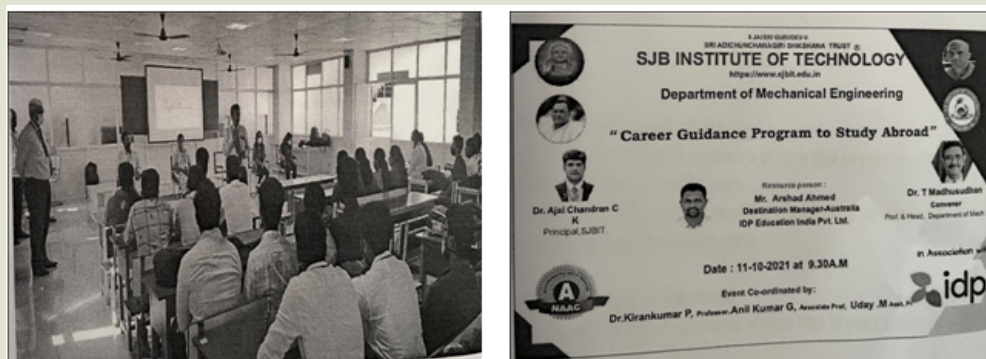

Some Glimpses of Induction Program Activity

### Guest lectures:
