1.0 INTRODUCTION

An online lecture series is arranged by innovation centre in the college about "Health and Technology Aspects" in order to bring awareness about health and technological challenges in professional life. About 100 faculties have participated in the event organised.

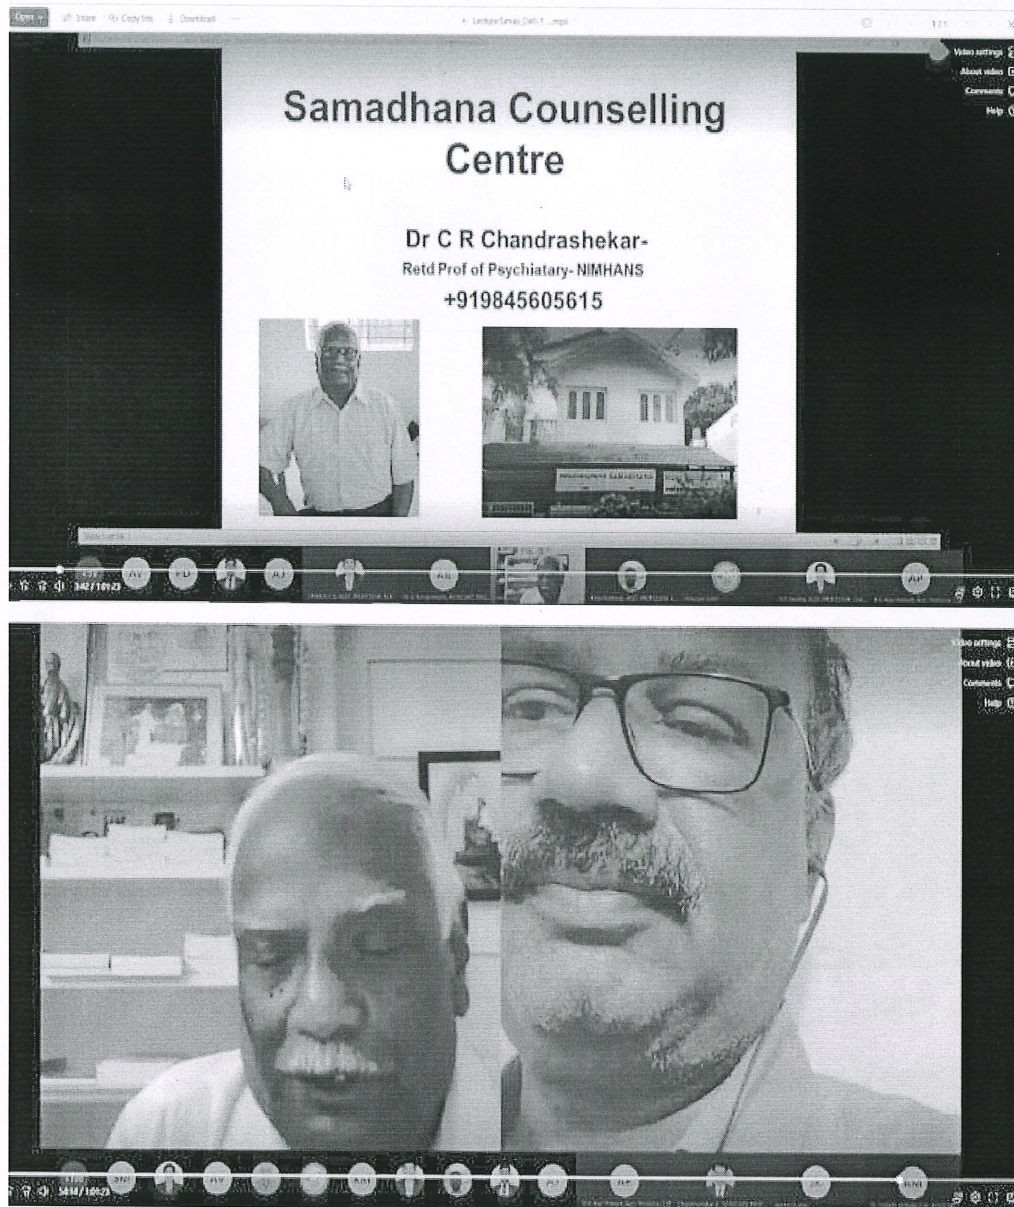

2.0 PROCEEDINGS OF THE EVENT:

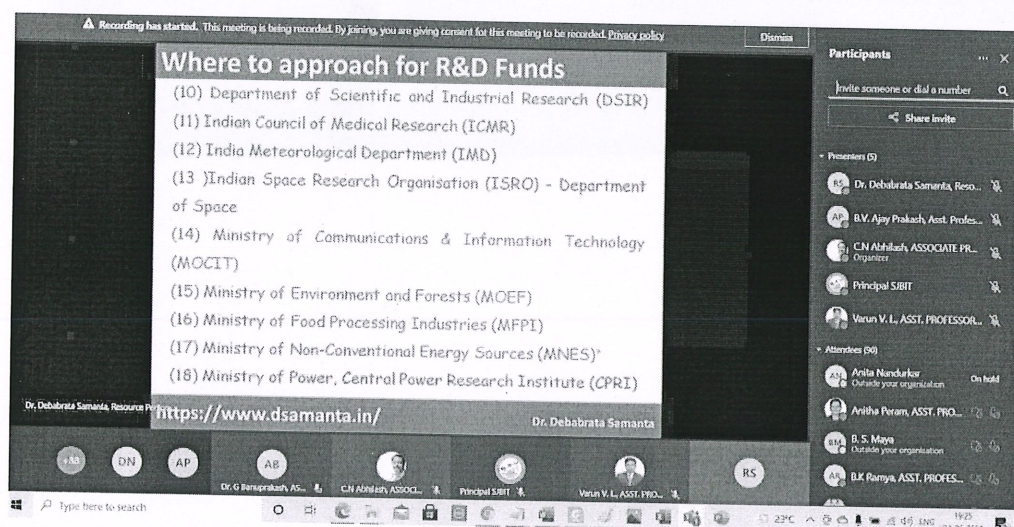

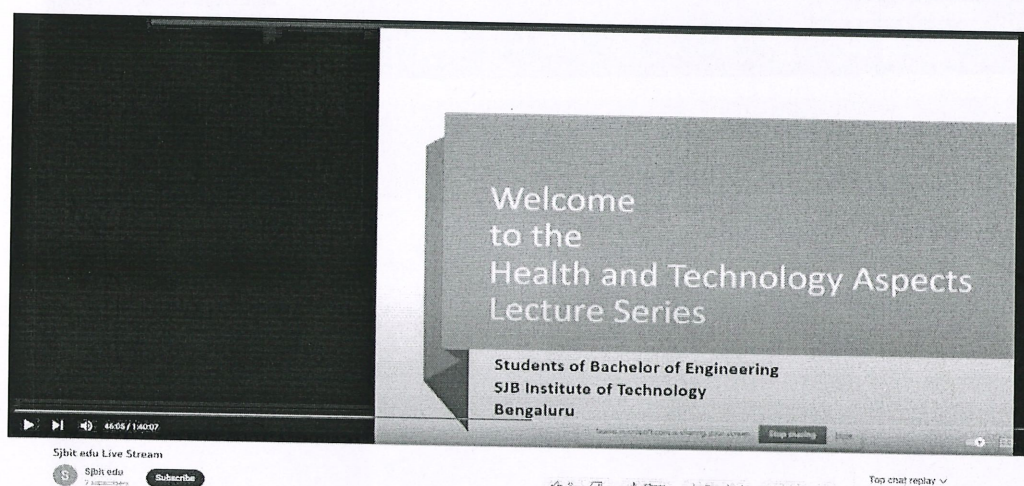

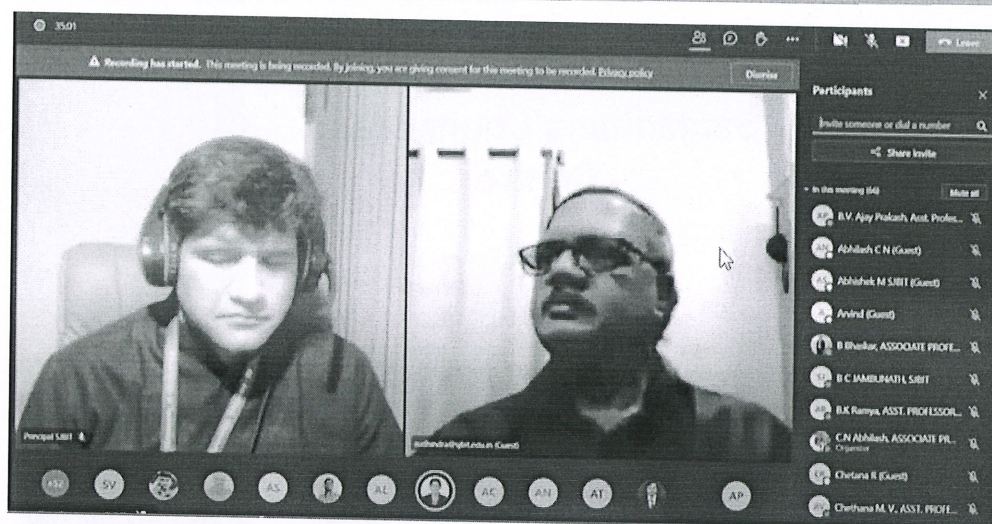

The inauguration took place on 02nd June, 2021 through Microsoft Teams portal. The function started with welcome address by Dr. Ajay Prakash, member, innovation centre, SJBIT. After the welcome address, chief guest of the event Dr. C R Chandrashekhar, Former Professor of Psychiatry and Deputy Medical Superintendent at NIMHANS. The speaker gave a talk on the importance of Emotional and Mental Health problems. Then our principal Prof. Ajai Chandran gave presidential address and inspired everyone with his motivational speech. Finally Prof. Bhanu Prakash presented the vote of thanks for the event.

The second day session on 3rd June 2021 was handled by Prof. Sudhindhra Haldodderi, Former Scientist, DRDO, Consultant, L&T Technology Services. The speaker gave a talk on "Opportunities and Challenges for Young Engineers". The speaker elaborated on the topic with live examples.

On the last day on 4th June, 2021, Dr. Debabrata Samanta, Asst. Professor, Dept. of CSE, Christ (Deemed to be University) delivered a session on "Critical Review of Sample Research Proposals". During his presentation the speaker gave the complete process of writing proposals and scrutiny process to choose the best proposal.

Sudhindra Haldodderi

Sudhindra Haldodderi, is currently a Consultant for **L&T Technology Services** in its Aero Business Group. And prior to this he was a Consultant to **QuEST Global Engineering** for its Rolls-Royce Off-Shore Development Centre at Bengaluru. He started his engineering career at the prestigious **DRDO** as a Scientist and served for 22 years. For a brief period, he was a Deputy General Manager at **HAL's** Design Department. During this period of 24 years, he served in the field of Aircraft Propulsion & Fuel System. He was responsible for the design, development, integration, and flight- testing of critical mechanical systems of Light Combat Aircraft (LCA) and Intermediate Jet Trainer (IJT) aircraft. He has also taught aerospace engineering students at Private and Deemed Universities for seven years.

A graduate of Mechanical Engineering from **UVCE** and an M.Tech. in Turbo Machines from **IIT- Madras**, Chennai, Sri Sudhindra had a brief research stint of 2 years at the Department of Aerospace Engineering, **Indian Institute of Science**. Sri Sudhindra has several technical reports on the service issues of Aircraft & Helicopters operation in India. He has visited frontier air force bases of the country for testing of critical aircraft systems. He has also visited aircraft factories of USA, UK, Brazil, Russia and Germany for absorbing critical technologies. He has received several awards for his contributions to DRDO which include '**Award for best performance**' (1997), '**National Science Day Medal & Citation**' from Scientific Advisor to Defence Minister (2002), '**DRDO Technology Group Award**' consecutively in 2004 and 2005. He has been conferred with **Kannada Vijnana Parishat Silver Jubilee Award - 2007** for his contribution towards popularizing Science. The Vision Group on Science & Technology, Government of Karnataka has conferred the '**Best Science Communicator Award**' on him for the year 2010-11.

Sri Sudhindra is well known to the readers of Kannada newspapers through his regular columns on Science & Technology. The '**Net Nota**', a science column of his is published in '**Vijaya Karnataka**' since 2001. He is a contributor for the science columns of Kannada Periodicals and 'Deccan Herald' & 'The Week'. He has authored books titled 'Internet emba Maayajaala', 'BeLakindi', 'Makkaligaagi computer', 'computer ellinda elliyavarege', '**Saddu, Samshodhane Nadeyuttide**' (**Conferred Best Science Book by Karnataka Sahitya Academy**), 'Bahyakashavemba Beraginangala' and 'Beragina Belakindi'. He has written more than 3000 articles in Kannada on Science & Technology. He was a member of the 'Karnataka Science and Technology Academy' (KSTA) for two terms.

He is a Member in the Board of Studies of prestigious institutions like Manipal University, Bangalore University, Gogte Institute of Technology, National College and Home Science College.

Dr. Debabrata Samanta

Assistant Professor,
Department of Computer Science,
CHRIST (Deemed to be University),
Bangalore, India.

Mob:+91-9738829736

E-mail:-debabrata.samanta369@gmail.com

Dr. Samanta, is presently working as Assistant Professor, Department of Computer Science, CHRIST (Deemed to be University), Bangalore, India. In addition to the responsibility, he is currently the Coordinator, IPR Cell, CHRIST (Deemed to be University) from Dec, 2019. He obtained his PhD in Computer Science and Engg. from National Institute of Technology, Durgapur, India, in the area of SAR Image Processing. He is keenly interested in Interdisciplinary Research & Development and has experience spanning fields of SAR Image Analysis, Video surveillance, Heuristic algorithm for Image Classification, Deep Learning Framework for Detection and Classification, Blockchain, Statistical Modelling, Wireless Adhoc Network, Natural Language Processing, V2I Communication. He has successfully completed five Consultancy Projects. He has received funding under International Travel Support Scheme in 2019 for attending conference in Thailand. He has received Travel Grant for speaker in Conference, Seminar etc for two years from July, 2019. He is the owner of 18 Patents (2 Design Indian Patent and 2 Australian patent Granted, 14 Indian Patent published) and 2 copyright. He has authored and coauthored over 149 research papers in international journal (SCI/SCIE/ESCI/Scopus) and conferences including IEEE, Springer and Elsevier Conference proceeding. He has received "Scholastic Award" at 2nd International conference on Computer Science and IT application, CSIT-2011, Delhi, India. He is a co-author of 10 books and the co-editor of 4 books, available for sale on Amazon and Flipkart. He has presented various papers at International conferences and received Best Paper awards He also serves as acquisition editor for Springer, Wiley, CRC, Scrivener Publishing LLC, Beverly, USA. and Elsevier. He is a Professional IEEE Member, an Associate Life Member of Computer Society Of India (CSI) and a Life Member of Indian Society for Technical Education (ISTE).
