**National Energy Conservation Day Activity**

The Energy club of the department in coordination with Institution Innovation Council (IIC) has organized the celebration of “National Energy Conservation Day” on **14<sup>th</sup> December 2022**. National Energy Conservation Day aims to generate awareness among the masses in India about the importance of saving energy. Essentially, the main objective of the day is to reduce the use of energy and to encourage people to use it efficiently. Since 1991, it is celebrated every year by the Bureau of Energy Efficiency (BEE), under the Ministry of Power.

The event was inaugurated by **Dr. K V Mahendra Prashanth**, Principal, SJBIT in the presence of **Dr. Babu N V**, Academic dean & HOD, EEE department, **Dr. Vitala H R**, IIC president & HOD, Mechanical dept. and other department heads.

The awareness program on energy conservation was conducted in the morning session by visiting to each classroom of the college. Information is given on minimizing energy waste and how the students can do their part in conserving resources.

As part of the Energy Conservation Day, following activities were conducted to the students at the institution level.

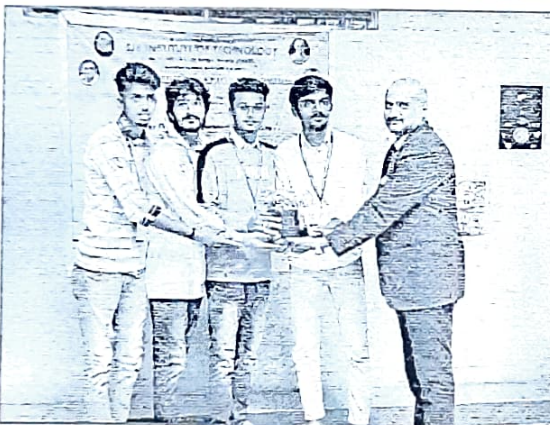

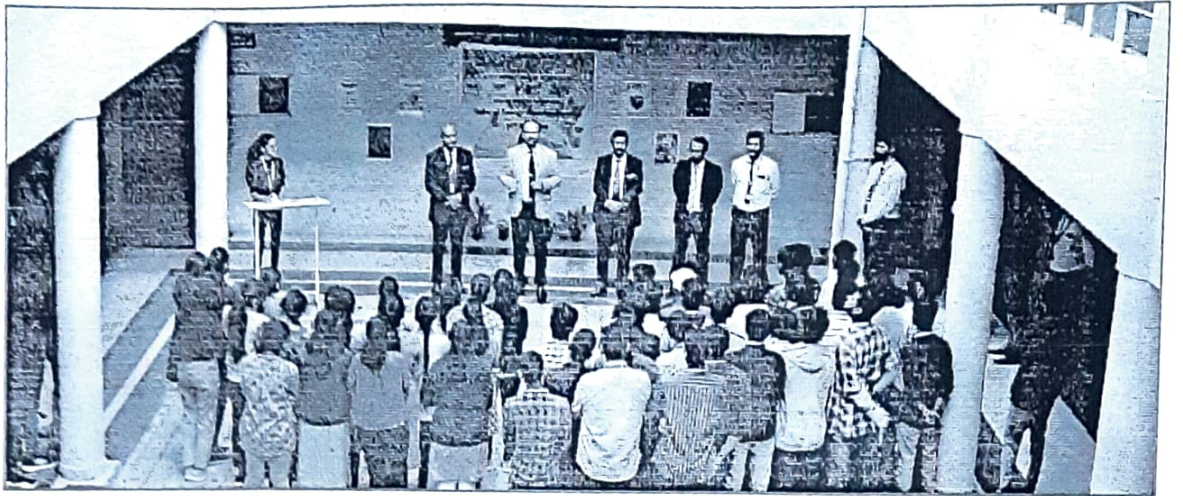

1. Poster creation on Energy Conservation theme.
2. Innovative Slogan writing on Energy Conservation.
3. Quiz on Energy Conservation.
4. Technical Talk on Energy Conservation
5. Energy Hunt.

Around 150+ students across the departments have actively participated and won exciting prizes.
